

JUDSON ISD POLICE DEPARTMENT

(01/01/2014-12/31/2014)

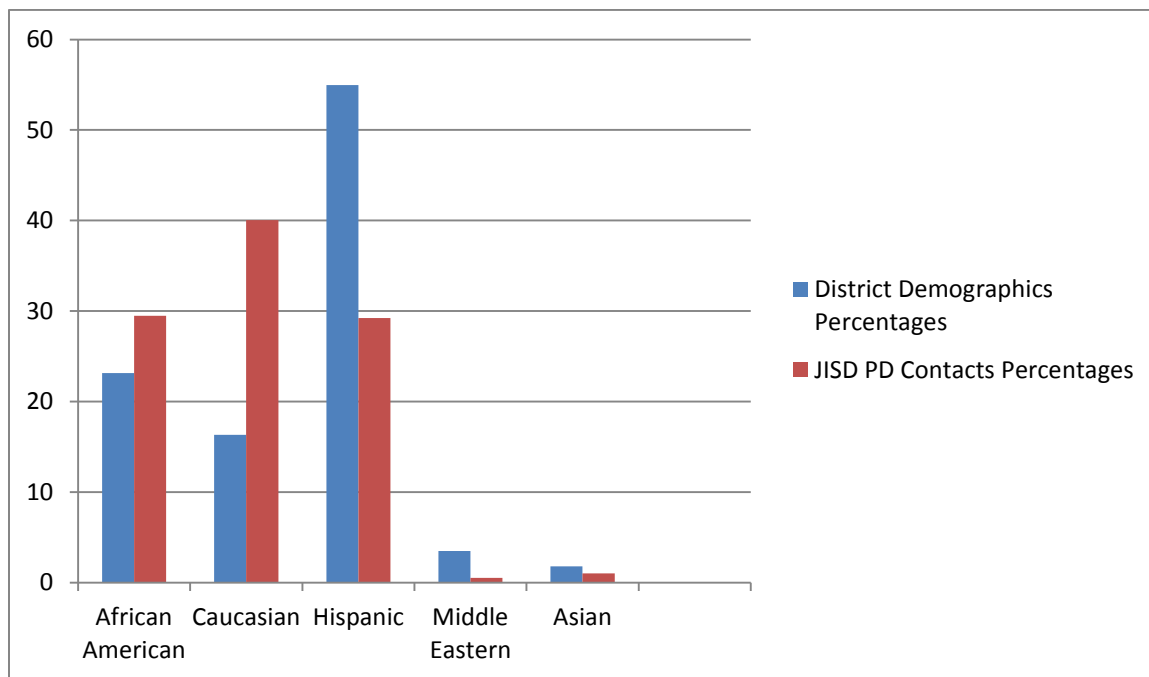

The following is an analysis of the motor vehicle contacts and the result of each traffic stop made by the Judson ISD Police Department during the reporting year of 2014. These contacts have been divided by Race/Ethnicity and then compared to the reported Race/Ethnicity of the district it serves.

It should be noted that it is because of changes in personnel, schedules, and training in 2014 that JISD has shown an increase in vehicle contacts and while these 407 vehicle stops make up less than 10% of the 4,193 total calls for service, this increase is why JISD PD chose to report in full.

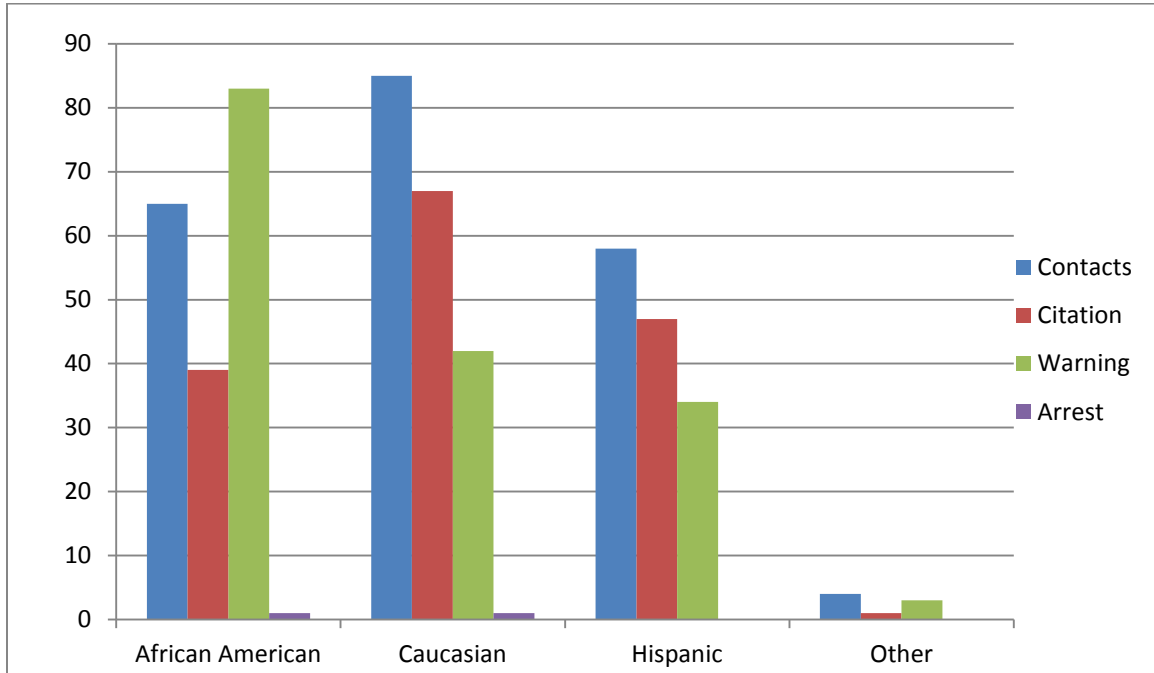

The 407 traffic stops resulted in a total of 284 written citations, 291 warnings, and 3 arrests.

The JISD Police Department has not had any complaints of Racial Profiling.
